
Talking With Siri

Lab 1 – What can you do?

(Press and hold the Home Button to start speaking to Siri. Release the button when you are finished.)

- “Hello.”
- “What can you do?”
- (try a few of the examples.)
- “Thank you.”
- “Good bye.”

Lab 2 – Pronunciation

“How do you pronounce my name?”

“That’s not how you pronounce that.”

Lab 3 – Reminders

“Add eggs to my groceries list.”

“Remind me to call [Mom] tonight.”

Lab 4 – Launch Apps

“Open Photos”

“Play some music.”

“Stop the music.”

Lab 5 – Email

“Read my latest email.”

“Any new email?”

“Read it.”

“Email my husband about dinner.”

Lab 6 – Phone Calls

“What are my missed calls?”

“Check voicemail.”
(Tap to hear a voicemail.)

Lab 7 – Texting

“Read my text messages.”

“Tell Alex I’ll be home in 10 minutes.”

Lab 8 – Change Settings

“Turn down the volume.”

“Turn up the brightness.”

Lab 9 – Set Alarms

“Wake me in 3 minutes.”

“Wake me in half an hour.”

“Show my alarms.”

“Delete all alarms.”
